

Hartwell Primary School Gardening Club

Starting Thursday 5th March 2020 one of our Grandparents, Eddie Ball, will be running a weekly Gardening Club after school from 3.30pm until 4pm for up to twelve children in years 3 and 4. The children will have the opportunity to do some planting, weeding and watering of the garden area.

The club will commence after half term on **Thursday 5th March and finish during the Summer Term on a date to be advised. Please note that the club will not run on 4th June 2020.**

In the interests of health and safety we need to compile a register for the after school club, we therefore ask that you complete the attached permission slip informing us if your child wishes to take part and giving permission for him/her to stay behind. Parents are expected to collect children promptly at the end of each club. Please collect your child from the allotment area, near the front of the school, now known as Websters' Patch.

Please note: we need to limit the numbers of children attending the club due to manageability as well as health and safety. **If the club is oversubscribed parents will be informed, otherwise you can assume that all children will secure a place within the Gardening Club.**

Please return the attached slip to school as soon as possible, and by Monday 27th January at the latest.

Thank you,
Mrs J Pardon
