

Hartwell Primary School

January 2019

Dear Parents,

Welcome back! I hope you all had a great Christmas break. The Spring Term in Year 6 is a particularly challenging but we hope rewarding time as we approach the run up to the Key Stage 2 national curriculum tests. The support you give your children at home will be of particular importance. Each week your child will bring home the following pieces of homework:

- One Literacy homework which will reinforce aspects of writing such as punctuation, using effective language and adopting a realistic writing style. In addition, children will be revise SPAG using the spag.com website.
- One Numeracy homework which will reinforce work that has been carried out in class. Due in on a Wednesday.
- Spellings to learn each week; I cannot stress enough how important it is that children learn their spellings carefully at home. Little and often is much more effective than looking at them once a week. The children will be tested on the spellings on a Wednesday morning.

Our PE days will be on a Monday and Friday afternoon please ensure correct PE kits are in school for those sessions. I am fully aware that this is a packed term in Year 6 and I hope that the children's enthusiasm for learning continues making it another enjoyable term!

May I take this opportunity to thank you for your continued support.

Yours Sincerely,

Mr R Tyman
