

27th September 2019

Dear Parents/ Guardian,

The answer to the question “What did you do at school today?” ... Tapestry

We are very pleased to introduce you to Tapestry, our online learning journal. Throughout the year we will build up an individual learning journey for your child through a piece of educational software called ‘Tapestry’.

By logging onto the Tapestry site with a secure username and password you will be able to view observations of your child, photographs and even video from their time with Class R. You can even choose to receive an email telling you when a new observation is available for you to view. This will enable you to follow your child’s individual progress closely and to reflect upon their achievements with them at home. You can also add comments so that we can find out about which activities your child really enjoyed and the learning they get up to at home.

E-safety is extremely important to us at Hartwell Primary School, we therefore ask you to provide us with the following information and to sign the agreement and other information overleaf to show that you understand and will agree to our guidelines. Please return this agreement by Thursday 3rd October so that we can make the ‘learning journeys’ active before the half term holiday.

We understand that some of you may not have easy access to the internet. If this is the case, please see us and we can arrange for you to view your child’s learning journey in school.

We are sure that you will love this way of viewing your child’s achievements as much as we do!

Many Thanks,
Mrs Cameron

Agreed guidelines for accessing and using Tapestry 'Online Learning Journeys'

As a parent I will...

Not publish any of my child's observations, photographs or videos on any social media site.

Keep the login details within my trusted family.

Speak to a member of staff if I experience any difficulties accessing my child's learning journey.

I agree to the guidelines:

Print name: _____

Name of child: _____

Signature: _____ Date: _____

Email: _____

Please return to me and I will use your email to set up your account and send out your login details.
