

## Class R Autumn 2 Newsletter

We have had a fantastic first term getting to know each other! The children have all settled in really well and we are all excited about the excitements and achievements of the year ahead!

This half term our topic is 'The 3 Little Pigs.' We've got some exciting things planned, including a role-play construction area, baking, building houses; big and small, and of course we will be building up to our big Christmas Production!

In Literacy we will be learning about labelling and captions as well as having a big focus on our phonics. In Numeracy we will be learning about addition and subtraction as well as continuing to practice our number recognition and writing.

We would like to invite you into school at the end of the term to share our learning with you. The children will have lots to show you and a specially prepared snack just for you! You are welcome to bring other family members including siblings. We really hope you can join us at **2:45pm on Tuesday 4<sup>th</sup> December.**

Just a gentle reminder to read for 5-10 minutes four times a week. This will have a massive impact on your child's learning, along with completing the green phonics books activities. Enjoy sharing learning together!

If you have any questions or concerns please do not hesitate to speak to me.
