

Dear Parents,

Welcome back to the Summer Term; it's hard to believe we are in the last full term of reception.

Our Learning

We are really looking forward to the topic ahead and all the exciting events we have along the way. This term's topic is: 'To Infinity and Beyond'. We will begin the topic with a transport focus which sees our journey ending up in space! Once we have reached the moon and stars in space we will then focus on superheroes...particularly the superheroes the children are.

As the topic comes to a close we would like parents to join us at 2:45pm on Wednesday 17th July to share in the children's hard work and achievements.

PE

PE day remain as Wednesday and Friday. Thank you for already sending trainers/plimsolls into school for outdoor PE on Wednesdays.

Special Snack

We are not asking for any contribution towards special snack this term as we already have what we need to cover resources – thank you.

Homework

Thank you for on-going support with homework. Please continue with 4 home reads a week, please remember that this doesn't always have to be the school reading book. We ask that you record any reading activities in the home school diary so that we can see the great work that goes on at home, it also contributes to your child's Early Years Profile.

Phonic homework this term is more open ended with the sounds grid. The expectation is that you child chooses a sound and writes two simple sentences with that sound, again encouragement of your child is greatly appreciated.

Woburn Safari Park

We are very excited about our class trip to Woburn Safari Park. Our trip takes place on Wednesday 26th June. We will update you with more details after half-term.

Finally, thank you for always working in partnership with us. It is much appreciated by us all

The Class R Team
