

# Class R Spring Term Newsletter!

## Well done!

Well done Class R for such a great first term at school! Everyone has settled really well and all are showing a fantastic love for learning. We really enjoyed learning about ourselves and our families and the world around us during the Autumn term. The children have grown in confidence and are getting to know each other really well.

## Tapestry

I hope you have enjoyed seeing the observations uploaded to Tapestry throughout the term. It has been lovely to have likes and comments.. Please feel free to add your own home observations when children bring their learning home so that I can have an insight into their understanding.

## Topics for Spring

Our topics for the Spring Terms are Transport and Animals.

### Special snack

Special Snack has been extremely popular with the children, they have loved helping to prepare and cook the foods and share them with the class. Please could we ask for a contribution of £5 for the Spring Term towards the cost of this, thank you to those that have already done this.

## Show and Tell

The children are really enjoying the opportunity to share their favourite things with their class. It is important that the children are able to talk about the objects they bring and should aim to give 3 facts or pieces of information. Please practice this with them at home and ensure that the children are confidently prepared.

## P.E.

PE is on Monday and Friday so please could you send your child's PE kit in on a Monday and leave it on their peg for the week. You may prefer to leave the PE kit for the duration of term.

## Books and Biscuits

Books and biscuits has been hugely popular with the children, thank you for all your support and biscuits!

## Reading

Well done for all of the hard work in reading this term, we strongly encourage you to read the school reading book with the children three or four times a week, when a book has been read twice put it in the basket to be changed.

Thank you for your support this term, we are looking forward to another brilliant term in Class R. If you have any questions please do not hesitate in speaking to either Mrs Newcombe or myself.

Yours sincerely,  
Miss Farnworth
