

Class R Newsletter

Welcome to the Summer Term!

Well done Class R for another fantastic term at school! The children really enjoyed our topics last term on transport and animals, there was some excellent learning and we were particularly impressed with the children's progress in Writing and Communication and Language.

As always, thank you for Reading Record comments. We continue to ask you to read the books we send home for 5-10 minutes 4 times a week. It is great to see how much reading is taking place at home and the children have a lot of enthusiasm for books in class.

Topic for this term - Space and Superheroes

This term our topics are space and superheroes. We will be learning about the planets and rehearsing for our assembly (20th June) as well as having lots of creative fun learning about superheroes and having our own superhero day!

Special Snack

The children are really enjoying making and eating special snacks. Please could we ask for a contribution of £5 for this term towards the cost of this as soon as possible. Thank you to those that already have.

Thank you for your support during the previous terms - we are looking forward to our final term in Class R. If you have any questions please do not hesitate to speak to either Mrs Newcombe or myself.

Yours sincerely
Miss Farnworth
