

Calling all potential Library Guardians!

Dear Key Stage 2,

I have some questions to ask!.....

- Do you love books and reading?
- Are you well organised and show initiative?
- Are you good when working in a team?
- Are you interested in the latest book releases?
- Are you creative?

If you can answer “yes” to the questions above then you may be just the person we are looking for!

We are looking for several new ‘Library Guardians’. Library Guardians help to develop how our library runs, including playing a part in choosing the books that are in it as well as many other exciting possible developments. I want our Library Guardians to drive the library forward so that it is the best place to choose the best books, whether reading books, Fiction, poetry or Non Fiction books for research.

If you are interested in applying to be a Library Guardian then the next step is to submit an application which will convince our current Library Guardians that you would be a brilliant addition to their team. The Library Guardian’s job description is on the next page to help you.

You can present your application in any way you would like e.g.

- A letter
- A poster
- A leaflet
- A carefully prepared speech
- Using ICTor do you have another creative way???

Please submit your application by **the first day back after half term**. We forward to hearing from you!

Mrs McCulloch and the Library Guardians
