ABM Parent Taster Session - Monday 9th March

We are really pleased to be offering parents the opportunity to come into school from 3pm until 4pm on Monday 9th March to taste some of the menu options that ABM Catering provide our children. On offer on Monday will be meatballs, veggie meatballs, and curry, with cookies, cakes, jelly and fruit pots to follow.

We are really keen for as many parents as possible to taste the food; ABM would also like to gain feedback from parents. We would particularly encourage parents of children who do not yet take up the hot meal offer - please bring your child/children with you after school to encourage them to try the food that our kitchen team prepare fresh everyday.

As a school, we have now been using ABM since September. We chose them as our hot meal providers because of the range of food they produce, but more importantly, 80% of the food is cooked from fresh, this includes such things as homemade pasta sauces.

These taster sessions are a great opportunity for both you and your child to try the food ABM offer our children at lunchtimes. Please come to the main office for the tasting. See you there!

Reminder: there are no staff run clubs on Tuesday 10th March. Freestyle Football Club before school will be the only club running that day.

Requesting a meeting with your child's teacher

The teaching team are always happy to talk to parents. If you require a conversation with your child's teacher, please request an appointment via Mrs Morley or Mrs Bruce in the office. Your child's teacher will get back to you to arrange a mutually convenient time.

Thank you for being understanding that at drop-off and collection is not a great time for the teachers to talk as they are supervising children.

World Book Day

The children looked amazing yesterday in their World Book Day costumes - it really showed how much our children love books and reading. Thank you for your support putting together costumes.
