Happy New Year

Welcome back to the Spring Term of 2020! It was lovely to welcome all the children back on Monday, I'm sure they've all grown taller in the past two weeks!

This term is much shorter than the Autumn Term with lots of learning to pack in! There are lots of trips happening this term, which we are very excited about. All trips are fully risk assessed - if you would like to see any of our risk assessments or need to talk about financial implications of a trip, please pop in to see us. Happy New Year and I look forward to our continued work together,
Jamie Pardon

ABM Catering and Census Day

Every child has been given a new free water bottle today from our catering suppliers ABM - what a useful free gift!

Thursday 16th January is School Census day: the more children we get having a hot meal on that day, the more funding our school gets!

There is a special menu on that day so please check out the online booking site. Can I urge all parents with children in Classes R, 1 & 2 to order a Universal Free School Meal on that day whether your child intends to have the meal or not.

Thank you.

Last week's attendance:

Class R = 96.7%; Class 1 = 89.3%; Class 2 = 95.2%; Class 3 = 96.9%;
Class 4 = 92.9%; Class 5 = 97.3%; **Class 6 = 98.3%**
Last week our whole school attendance was 95.2%.
