

Stars of the Week

Class R: Gracie

Class 1: Zoe

Class 2: Dylan

Class 3: Louis

Class 4: Isla

Class 5: Tristan

Class 6: Cameron

Parents' Evenings:

As you will already be aware, Parents' Evenings are on 23rd and 24th October. If you haven't yet made an appointment the teachers do still have a few slots. We are always really keen to share with parents what your child has been learning. At each Parents' Evening we always ask parents for feedback in the form of the 'Parent View' questionnaire: this is a paper based version of what Ofsted use to gather parental opinion. As there is a new Ofsted Framework in place, the questions have changed slightly to reflect the amended expectations of schools. It is really useful to us to get this feedback; we really appreciate the positives and like to know where you feel we can do even better so thank you in advance for completing our questionnaire.

Our caterers, ABM, will also be at Parents' Evening offering tasters to parents so please enjoy a snack or two!

This Week's News:

- We have our first Reading Millionaire of the year - an amazing achievement to have reached before October Half Term. Well done, Lily, you are amazing!
- The new school meals menu is now available for after half term. We are really pleased with school meals uptake this half term. There are 17% more children having a hot meal compared to the same time last year.
- The zig-zag no parking lines outside both school entrances have become very faded. We registered the issue with 'The Street Doctor' about this time last year to which the response was that it could take up to 18 months for the lines to be repainted. Thank you for being mindful of not parking where our very faint zig-zags are.
- The first FOHPS cake sale of the year is next Friday (18th October). The team would like to request donations from Years 5 & 6 - please bring donations on Friday morning, please note they don't have to be homemade.

Last week's attendance:

Class R = 98.3%; Class 1 = 98.3%; **Class 2 = 99.3%**; Class 3 = 96.9%; Class 4 = 98.4%; Class 5 = 95.5%; Class 6 = 94.3%

Our target for the year is 97% and last week our whole school attendance was 97.3% - great!
