Please could I remind parents and family members that we love having you at your child's Star of the Week Assembly. Please arrive for 2:40pm. You are welcome to take photos and film of your child during the assembly; focus only on your child and images you take must not be shared via social media. Pre-school siblings are more than welcome in our assembly. I ask that should they become restless, please take a break in the entrance area so the assembly can continue without interruption and you are still able to see what is happening in the hall. Many thanks for your support on this, Mrs Jamie Pardon
