

Stars of the Week

Well done to this week's star - what a superb achievement!

Class R: Jenson

Class 1: Sophie

Class 2: Harrison

Class 3: Inca

Class 4: Elena

Class 5: Chloe

Class 6: Toby

Next week is National Road Safety Week. 'Step Up for Safe Streets' is this year's theme; it's all about thinking about how all of us can make a difference to change our streets for the better.

In our recent 'Happiness Survey' that all children had the opportunity to participate in, a minority of children said that they didn't feel safe crossing roads near our school. Because of this we will look at how to cross a road in the safest possible way. As adult road users, we can also help with this by parking responsibly and driving slowly around our school. Thank you for your support on this matter.

New Extra-Curricular Clubs

Mrs Parker and I are very excited that after Christmas we will be launching even more active clubs, including football and street dancing. Our children will have the opportunity to participate in taster sessions in the last week of this term. Freestyle will be providing the clubs. Usually each session would cost £4.50, however, because our school commitment is to get as many children loving physical activity as possible, we will be subsidising £3.50 of the weekly cost so each session will only cost £1 per week - amazing value! More details will follow later in the term.

Crisp Packet Recycling

From Monday we will be recycling crisp packets. By supporting us in recycling crisp packets you will be helping to raise money for our school and preventing this waste ending up in landfill sites. We have three recycling bins; they are located in the lobby, the lunch hall and the main entrance. The one in the main entrance means any community member can drop in the crisp packets for recycling! Help us raise money whilst helping the environment!

Last week's attendance:

Class R = 98.1%; Class 1 = 96.8%; **Class 2 = 98.2%**; Class 3 = 95.9%;

Class 4 = 97.3%; Class 5 = 96.9%; Class 6 = 94.6%

Last week our whole school attendance was 96.8%.
