Timings for Clubs

Between all our before and after school clubs there is a range of start and finish times depending on who's running the club and/or the age of the children attending. It gets very confusing! If you are unsure of what time to drop your child off or collect them the [calendar](#) on the school website has that information. One final thing: for morning clubs, children should be dropped off no earlier than 5 minutes before the start of the club, thank you. This means that the coach is there to greet your child and the club can begin promptly.

Parking

We are really pleased that NCC have finally repainted our yellow zig-zag lines. Thank you to all car users for parking in accordance with the line painting; it all helps to provide a safer environment for our children.

Online Safety

The internet is an exciting place for us all. Check out a couple of tips below to help our children be responsible online citizens.

Fortnite: I am aware that Fortnite continues to be an incredibly popular game, which we often hear our children talking about on the playground. The game has a rating of 12+; if your child is allowed access to this game please [click here](#) to access a guide for parents from 'National Online Safety' which helps non-players and parents better understand what our children are accessing.

The 4 Ds: The 4 Ds are a way of ensuring screen time is kept to a healthy level for all members of the household.

1. Digital free zone - keep technology downstairs
2. Digital role models - parents lead by example online and with digital usage
3. Digital sunset - young people need to come away from technology before they go to sleep
4. Digital detox - as a family, try a gadget free day (or even an hour)
