### Procedure for School Closure

Closing the school for any reason is always a last resort. Yesterday morning's snow shower made me think about reminding everyone what happens if the school has to be closed.

Should the school be closed parents will be notified in the following ways:

- Parentmail
- The school website (homepage)
- Twitter
- Facebook

Please note that Northamptonshire County Council no longer provide school closure notices on their website. I also politely ask that you don't phone the school regarding school closure, or reopening, all the information will be available from the listed sources. Fingers crossed for no snow (or snow at weekends only)!
