### Statutory Inspection of Anglican and Methods Schools (SIAMS)

I made you aware on the last newsletter that on Tuesday 12th March we would be having our Church School Inspection. I will be able to share the outcome and the report with you when it is published in a few weeks time. What I can say is that, as always, our children, staff, parents and governors did our school proud - Thank you for your continued support. I look forward to sharing our report with you.

### Keeping Safe Online

As you are aware, we are always teaching and revisiting online safety with our children in school. The filters that we use in school are set to a high level to give children maximum protection from inappropriate and harmful content. For guidance at home take a look at:
