### Extra-Curricular Clubs

Clubs have all started back this week, which has been great to see. We do still have a few places left so don't worry if you missed getting your child's slip back in time, you may be still able to get a place.

It was raised at Parent Council this week about providing more 'academic clubs' which is a great idea. The teachers all run extra-curricular clubs so to be able to facilitate this we would need to use an outside provider, which comes at a cost to parents. One option could be a Maths Club with 'Magical Maths' starting in January. I would like to find out if any parents are interested and sign their child up to this club before we sign up to it as a school. The cost would be £39.99 for 5 weeks. More information can be found on the Magical Maths website: <https://magicalmathsclub.com/>
