Peterborough Cathedral - A Service of Dedication and Thanksgiving for Church Schools

Yesterday a few of us were lucky enough to go to Peterborough Cathedral with other church schools from all over the Diocese of Peterborough. As well as participating in the service, we were able to see part of Tim Peake's space craft and his 'take-off' space suit. We would not have been able to make the trip if was not for the help with transport from our friends at Ashton Primary - so a huge thank you to Mrs Bursari and her team. Our children represented us impeccably; it was another reason for me to say I am the 'very proud Headteacher' of our school.
