Final plastic bottle bottoms to be in by Monday, thank you.

Parking outside our school is tricky! I understand it is not always possible to walk to school if you've got to get straight off to work, making using the car a necessity.

If you use your car, please park responsibly and not on the zig-zag yellow lines. There have been a few cases reported of parents parking over the zig-zagged area. I know the lines are very faded, therefore I have reported this to NCC so that they can be repainted (hopefully).
