**Class 5: 97.9%**

**Class 6: 99.3%**

**Our whole school  
target is: 97%**

**Whole School  
96.7%**

## **Amazing News... Winners of the KS2 Cross Country at EWS**

The team put in a cracking performance to achieve first place yesterday at EWS.

We are always really proud of our children's sporting achievements and efforts, and yesterday really shows how sport is developing at our school.

This year's position is much improved on last year; our children now participating in the Daily Mile is improving not only running, but fitness in general.

Well done team and thank you.

## Spring Term Interim Reports

Next Friday you will receive your child's Interim Report. This report will give you an indication of the standard your child is working at and where they are expected to get to by the end of this academic year. This will be in a table format which also includes effort marks for the key subject areas, plus behaviour and attitude to learning.

The report will also contain targets that they are currently working on which will help them to achieve their end of year target. The final element of the report is your child's attendance for the Autumn Term; this is included as it is part of every school's statutory duty to report attendance to parents. Parents' Evenings will be next half term and the Interim Reports will form the basis of these meetings.
