

Pupil Voice Survey Results- October 2021

What do you learn about in PSHE?

KS1

The children in KS1 mainly associated PSHE with learning about feelings and healthy eating. Some children were able to articulate that it also included looking after our bodies and making good choices. Gerald the Giraffe was a learning tool that most of the children remembered.

KS2

There was a general sense of continuity in KS2 with similar themes emerging including:

- Relationships/friendships
- Rules
- Solving problems
- Different communities
- Respect
- Staying safe online
- Crossing roads
- Personal health, staying healthy (smoking) and wellbeing
- Body changes and puberty
- Personal space/assertiveness
- Working collaboratively

Tell me about your favourite lesson

KS1

Every child spoke about the Visits from the Life Bus and the teacher Pam. The found this lesson engaging for many reasons:

- It was fun
- Gerald the Giraffe
- Pam's teaching

The also spoke about a feelings lesson which included the text of the Colour Monster which was added to supplement our school PSHE scheme of learning (SCARF).

KS2

Most of the children were able to articulate their favourite lessons. Some examples of these included:

'My favourite lesson in PSHE is in the emotions lessons as we can learn how to deal with them.'

'I enjoyed the lesson when we worked as a team to build a tower to hold a maths book.'

'Our body parts lesson because I learned the correct words for our body parts.'

'My favourite lesson was when we did the first aid lesson because it gave me information and it taught me how to help people when they need help.'

How could PSHE be improved?

KS1

- More drawing opportunities
- More creative lessons
- Use of ICT

KS2

A range of children asked said that the lessons were already good enough or they could not provide an answer. Other children provided recommendations including:

- Using drama more
- More information on growth mindset
- Be taught more often and regularly and have longer lessons
- Play games to improve team work

What would you like to learn about next?

KS1

The children found this question difficult to articulate in R and Year 1. In Year 2, the children wanted to learn more about road safety and crossing the road. How to take care of themselves (physically and mentally). They also wanted to have another lesson from Pam and the life bus (SCARF).

KS2

- Climate change
- Working more collaboratively
- More about puberty
- More about feelings
- Health and safety
- First aid
- The impact of unhealthy behaviours on the body
- Mental health
- Water safety
