

Useful websites:

1. PEEP and the Big Wide World

3. The Great Plant Escape

4. Switch Zoo: Animal Games

National Geographic Kids

Watch animal cameras, learn interesting tidbits about animals, see and share photos of nature, learn about different countries and try science experiments on Kids.NationalGeographic.com. These activities don't even begin to scratch the surface of the National Geographic Kids website. There's also a "Little Kids" section for the younger explorers in your home.
