

2021-2022 PE and sport premium funding impact report

Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	91.3%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	91.3%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	32.9%
Has the Primary PE and Sport Premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	No

Spending impact report for 2021-2022

Funding received £17,770 plus £7,652 carried forward from 2020/2021

Total £25,442

Objectives

1. Engaging all pupils in regular physical activity
2. Raising the profile of PE and sport across the school as a tool for whole-school improvement
3. Increasing staff members' confidence, knowledge and skills in teaching PE and sport
4. Offering pupils a broader range of sports and activities
5. Increasing pupils' participation in competitive sport

Objective one: Engaging all pupils in regular physical activity				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Sports Crew organising and running games on the playground to encourage active playtimes	£500	Lunchtime clubs attended by aprox 20 children each day and our less active children targeted to attend	Sports crew to continue next academic year to ensure less active children have access to physical activities
2	Coach to deliver a Friday lunch time club	£990	100% of children had access to the club. Also able to target less active children to participate in active games. He also worked with sports crew to help them lead activities	Sports crew and leaders will be able to continue this club next academic year
3	PE equipment – to enhance PE curriculum	£1700	Due to having a new PE curriculum, we needed new equipment to ensure a high quality curriculum can be delivered.	Staff will be able to continue delivering high quality lessons next year.

4	Replacement of large equipment (netball/basketball posts) To encourage more active playtimes	£1874	The posts were rusted and dangerous so it has enabled the children to play netball and basketball safely	Netball and basketball extra curricular clubs will be re-introduced next academic year and children will have playtime access to the posts
5	Outdoor climbing equipment for EYFS	£1495	EYFS had no access to large equipment, this has encouraged gross motor skills which has impacted on their handwriting.	New intake children will have access to this equipment
Objective two: Raising the profile of PE and sport across the school as a tool for whole-school improvement				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	PE Hub subscription	£600	New curriculum introduced this shows clear progression in lessons and enables the children to access different sports eg Lacrosse	Subscription will be renewed. Teachers will continue to deliver high quality lessons using this curriculum package
2	PE Subject Leader CPD	£100	PE lead attended Northamptonshire Sport conference and obtained information about various aspects of PE	PE lead to introduce some of the ideas next academic year
3				
4				
5				

Objective 3: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Coach to work with Y4 teacher (ECT) to deliver high quality PE lessons	£1310	At the start of the year ECT had very little experience and had no confidence delivering lessons rated herself 2/10. She now has gained more confidence and is able to deliver lessons independently. Rates herself as 6/10	ECT will be able to deliver lessons to a high standard independently.
2	Training staff to deliver swimming	£130	Staff had no experience of teaching swimming through the course they were able to deliver swimming lessons at the end of the academic year	Teachers able to continue swimming lessons with next Y5 class
3	Supply cover for PE leader	£740	Supply cover has enabled PE lead to attend CPD courses, competitions and carry out observations of PE lessons	
Objective 4: Offering pupils a broader range of sports and activities				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Extra-curricular activities for all; children identified as 'less active' encouraged to participate	£13,493	Due to COVID we felt it vital to get as many of our children active and participating in some form of extra-	Next academic year the level of school subsidising clubs will reduce.

			curricular club. 100% of children were offered extra curricular clubs	
2	Bikeability	£530	100% of Year 5 pupils are able to ride a bike safely including road safety in the local area including navigating traffic.	New class 5 will continue with bikeability next academic year
Objective 5: Increasing pupils' participation in competitive sport				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Cluster Sports Partnership with EWS (secondary)	£1525	Children able to participate in cluster competitions	Continue to support cluster partnership and competitions next year
2	Transport Costs to and from events	£345	As many of the events have taken place in school time this has enabled children to attend without the need of parental support	Options to offer transport to further events especially competitions held during school time or at venues further away.
3	Northamptonshire Sport Competitions	£90	Allowing children to participate in a wider range of sporting activities especially SEND children	Continue to support Northamptonshire sport events next academic year
