Class 2 Newsletter

Dear Parent/Guardian,

Happy New Year! Mrs Payne and I would like to say a huge thank you for the lovely gifts we received before the holidays. We hope you had a restful break and a lovely time with your families.

Topics

This term, our topic is Africa. We start by exploring the continent (climate, food, currency, landmarks) before moving on to study Kenya in more detail.

In science, Class 2 are learning about how humans and animals grow and change. It would be lovely if the children could bring in a photo of themselves as a baby and a toddler for our science lesson on Thursday 13th January.

Maths Packs

Thank you for your support with the maths packs. It has been wonderful to see the children gaining confidence with their addition and subtraction work. This half term maths packs will be changed on: Wednesday 5th January, Wednesday 19th January and Wednesday 2nd February.

PE Kits

PE will continue on a Thursday morning and Friday afternoon. Please ensure that PE kits are fully labelled and in school on these days.

Library Sessions

Class 2 visit the library every Wednesday afternoon. The children use this session to change their library book and share their thoughts on the book they have read.

Reading and Spellings

Reading and spelling routines remain the same. Spellings are tested on a Monday morning and reading four times a week (at home) is rewarded with a dojo point.

I look forward to a productive term ahead with your child. If you have any questions feel free to come in and see me or leave me a message on Class Dojo.

Yours sincerely,

Miss Bland
