Dear Parent/Carer

Reception Screening 2021 – 2022

Every year we ask parents/carers of Reception aged children to complete a questionnaire which enables the School Nurse team to assess your child's health. We are then able to offer guidance and support in relation to any concerns that you may have.

This is the second year that we have been able to offer this to you as a digital form and the link below will take you to the online health questionnaire for you to complete.

If you state that you require support from a School Nurse within the questionnaire regarding a health need, a member of the 0-19 service will contact you in the Autumn Term. If you feel that you need to speak to us more urgently regarding your child's health, please call our 0-19 Admin Hub on 0800 170 7055 (option 4).

The following link is now accessible and will close on Friday 22nd July 2022.
