

BOOK SWAP

What is a book swap?

It is a chance to look through your books at home and then select one or more books that you no longer want so that you can swap it for another book at school that 'takes your fancy'.

Where? When?

Next Thursday 25th November in class 6. Please note that year 6 children will accompany the youngest of our children to assist them in the selection of their books.

What books can I swap?

Any books that are in good condition. No baby books. **Please** only bring in books that are of the same age group/reading ability of the book you are swapping.

Please send books into school on **any** day next week and class 6 will collect them from your child's class.

Let's keep our children's love of books alive and get a new book
for free to enjoy at home!
