

Junior Cricket at Stoke Bruerne.

Spencer Bruerne CC are pleased to let everyone know what junior cricket we are providing this year.

On a Friday evening 6-6.45pm for 8 weeks, we run Allstars cricket which is soft ball cricket for children aged 5-8yrs. No experience necessary as it is based around introducing cricket-based skills.

Also on a Friday evening at the same time we run Dynamos cricket which is soft ball cricket for those aged 8-10. The emphasis on this is learning to play the game of cricket with a little bit of skills practice.

We run on a Monday evening Under 11 hardball coaching. This is for children aged 9-11 who have got a grasp of the basic skills of cricket and is delivered by ECB qualified coaches. We have all the protective equipment needed. It is all about improving skills and building confidence in the children. Our league team is a mixed team and play on Sunday mornings.

We run on a Thursday evening Under 13 hardball coaching. This is also a league team and play on a Wednesday evening.

Did I also mention, the bar is open when Allstars/Dynamos/Junior training is on.....

Under 11 hardball coaching will start 11th April. That will be an introduction evening and sign on session for new members.
