Class 4: Evie—for a fantastic attitude and producing outstanding Literacy work

Class 5: Summer—for displaying great confidence when problem solving in Maths

Class 6: Jacob—for working very hard and pushing himself in all areas

The 'Big Garden Tidy Up' is next Saturday!

You are probably already aware that next Saturday (9th October) from 9am-12pm, we are looking for helpers from our parent/grandparent community to help us clearing and regenerating our garden areas in school. You don't need to have any gardening expertise (I certainly don't) just a willingness to lend a hand!

We'll provide any children who bring along a helper, free Freestyle sports coach and refreshments. Helpers will also be provided with refreshments.

We have a huge skip and materials on order. Please bring a spade/shovel and gardening gloves, if you have them. I look forward to seeing you there.

If you can't make it next Saturday, we would welcome any donations of bulbs, wild flower seeds or children's gardening equipment. Thank you!

Parent and Non-Parent Governor Vacancy

We have two vacancies on our governing body: one for a parent and one for a community member. Being a school governor is a key role as it contributes to the strategic leadership of the school.

Governors work collaboratively with the Senior Leadership Team on the School Development Plan. They support and challenge the set objectives throughout the year through a range of monitoring activities. Of course, this is coupled with monitoring the school's finances and working on school policies! It's a varied and valued voluntary role. If you would like to know more about becoming a governor, please get in touch!

FOHPS AGM is this Tuesday!

All are welcome (and encouraged) to join FOHPS in the school hall on Tuesday 5th October at 6:30pm. We look forward to welcoming you!
