Welcome Reverend Mark Donnelly

Welcome to Reverend Mark, our new vicar. Rev. Mark and his wife Sue are looking forward to get to know us here in school (when we return to a greater level of normality). He has lots of ideas to share of how he and Sue can engage with our children, staff and parents. I am meeting with him very soon to talk about our ideas for shared working.

Autumn Term Parents' Evening

This week our Senior Leadership Team have been planning out how we will hold our Autumn Term Parents' Evenings as we cannot run them in their traditional form.

Parents' Evening week will be week commencing 19th October. On Friday 16th October you will receive a short report from your child's teacher detailing key strengths in core areas of the curriculum and next steps. For the week of Parents' Evening, we are able to offer three options for your meeting with the class teacher: phone, Zoom or in person at school.

There will be some opportunity for phone and Zoom appointments to take place during the school day in the teacher's non-contact time, as well as after school. For parents who would like to meet with the teacher in person, this will be organised in a very similar fashion to the transition meetings in the Summer Term. Because of hygiene requirements between appointments, meetings will be spread across the week; please note no appointments will be taking place later than 5pm. Next Friday, we will contact you with how to book your appointment with your child's teacher.

A couple of points worth noting, we are not able to share your child's books with you at this time and for the face-to-face meetings only one parent can attend and children must be left at home.

Teachers are looking to sharing your child's learning so far this term.
