

Friday 4th February 2022

Did you hear us on Radio Northampton?

We were so pleased to be asked to share our love of reading on Radio Northampton on Monday morning. Tom Percival was great at making us all feel relaxed as we were a little nervous to begin with! If you missed us, you can listen back: [click here](#)

Our interview slots are as follows:

1hr 23.24 Intro then Mrs Pardon
1hr 53.20 Mrs McCulloch
2hr 23.34 Child 1
2hr 54.20 Child 2

Archway Event—Storytelling this Sunday

Keeping with the storytelling theme: Fi and the Archway Team have a family event at Roade Methodist Church this Sunday.

They would love to see our Hartwell families join in with the storytelling competition. The whole family can get involved in the storytelling fun—it's a great opportunity for your children to show you their storytelling skills.

Check out the Archway Trusts Facebook page to keep up to date with all that they have to offer.

February Family Event
STORY TELLING COMPETITION
Sunday 6th February
4.30pm
Roade Methodist Church

Come along and:

- Work in your own family / group
- Select your short script
- Create your characters from provided materials
- Perform your story
- Vote for your favourite
- Prizes for winners!!

Everyone is welcome!

Tuesday 8th is Safer Internet Day

Online Safety is an area in our school that we teach explicitly through our curriculum and is implicit within our school culture. Tuesday is Safer Internet Day—an annual event that is great to draw even more focus to help children to stay safe online and learn to be responsible digital citizens.

Throughout next week children will be taking part in learning related to this year's Safer Internet Day theme of 'All fun and games? Exploring respect and relationships online'.

It would be great if our parents could help us support our children in delivering this learning and it's associated key messages. [Click here](#) for a parents' guide to support Safer Internet Day.

For further information, you can also go to our school website, where in the Computing and Online Safety [curriculum area](#) is a [parent guide](#) to online safety and the curriculum map.

Mr Hartwright is our Computing and online safety lead, he is happy to help.
