Happy 10th Birthday Happy Hols

I am so pleased to be able to wish Wendy and the whole Happy Hols team a happy 10th birthday. Happy Hols is very much part of our Hartwell family, providing high quality care and lots of fun for all children. As well as great wraparound care, Happy Hols offer a school holiday play scheme, which is based at school this Easter. High quality and convenient.

We are beginning to get a few requests for term-time leave for family holidays. Please don't be offended when a request is not approved. The DfE are clear that schools must not approve holidays, particularly at this time because of the amount of learning children have missed due to the pandemic. Should you choose to take a family holiday in term time, school is unable to provide work. Thank you for your understanding.
