

Friday 6th November 2020

### Pupil Achievements

#### Stars of the Week

Class R: Jacob; Class 1: Georgia; Class 2: Matthew; Class 3: Alfie; Class 4: Eden; Class 5: Emma; Class 6: Faye

#### More great news...

Our children have participated in a **virtual cluster cross country running event**. The children had to run laps of a 400m course for 10 minutes. The results have then been shared with our School Sports Partnership Leaders at EWS: we are awaiting the results to see where we placed compared to the other cluster schools.

Our children were very impressive, beating Mrs Parker's target for each year group. For each class there is a male and a female winner. Well done to:

**Class R: Orson and April**

**Class 1: Billy and Isabelle**

**Class 2: Benjamin and Sienna**

**Class 3: Benji and Katy**

**Class 4: Freddie and Eva**

**Class 5: Charlie and Elena**

**Class 6: Joshua and Abigail**

### COVID-19 & Lockdown update

On Wednesday, the government published guidance for schools regarding this lockdown: there are no changes for us at our school at this present time.

### Online Safety Update

The internet is a wonderful thing, but not without it's pitfalls! For many of us adults, our children know more than we do. In school, we do not wish to deter children from using the internet. We want them to be responsible online citizens where they demonstrate the same exemplary behaviour that they do in the 'real world', and consider the digital persona that they present to others online. [Click here](#) for some supportive advice for parents.

### Friday 13th November is Children in Need

Children and staff are invited to wear mufti (non-uniform) on this day for the donation of £1. Spots are optional!
