

Friday 7th January 2022

### **Pupil Achievements**

#### **Stars of the Week**

Class R: Lyvia — for an excellent attitude to independent work

Class 1: Xander — for making fantastic progress in Phonics

Class 2: Dylan — for super progress in reading and great contributions in science

Class 3: Vahin — for always challenging himself and striving for personal bests

Class 4: Taylor — for enthusiasm and participation in all subjects

Class 5: Maisie — for making fantastic contributions in lessons

Class 6: Charlie — for making super progress in all areas

### **Welcome to 2022**

Welcome back to school and our first term of 2022. It has been great to have the children return, learning ready and full of enthusiasm.

As you can see, we still have a lot of scaffolding up around school! The roof works are progressing well and we expect the work to be completed in early March. Most of the work will be completed before then, however we are waiting for new windows to be fabricated for the hall.

Once the Summer Term comes around, the next phase of the school works will begin. This is replacing the heating system at school, therefore needs to be done when we don't need the heating on!

### **COVID Guidance**

Our full COVID risk assessment is now available on our school [website](#).

If you are unsure of the 'Stay at Home Guidance', you can access it [here](#).

### **Bikes and Scooters on the Playground**

Please be reminded that and scooters or bikes that are brought onto school site are to be pushed rather than ridden, this includes pre-school children. This is to prevent potential injury and upset.

### **A Fond Farewell**

After many years of faithful service to our school Mrs Spencer is leaving us. She has expertly supported hundreds of children's learning during her time here. We will miss her greatly. All at Hartwell Primary wish her well for her future.
