Class 4: **Jacob** for participating more in classroom discussions

Class 5: **Jake** for making fantastic progress in his writing

Class 6: **Jessica** for continual improvement across the school year

Online Safety: Digital Leader Parent Workshop

There are a group of children in our school who are 'Digital Leaders'. This group, led by Mr Hartwright, take responsibility in the school for maintaining the computing equipment, supporting their peers and promoting online safety.

On 12th July at 2:45pm, the Digital Leaders would like to invite all parents to an Online Safety Workshop.

The children will be leading the session with the support of Mr Hartwright. The team are really keen to support parents in learning more about online safety, particularly at home. They aim to provide you with practical advice to take into the summer holidays.

We would like to invite parents to contribute to the content of the workshop; if you have any questions or areas of online safety you would like covering in the session, please email the school office with your request:

sadmin@hartwell.northants.sch.uk

Please send any requests no later than 24th June. Thank you and we look forward to seeing you there.

Mrs Morley will be leaving Hartwell soon for a change in career. She is moving on from our school after 11 years of diligent service; her friendly welcome and effectiveness in her role will be sorely missed.

We are advertising the role of School Administrator, details of the role can be found on our school [website in the vacancies section](#).
