Friday 15th July: **End of year reports** go home

Friday 22nd July: **Leavers' Assembly**

Save the Date: Saturday 9th October!

We would really love some help from parent/grandparent volunteers in helping us sort out our over-grown garden and pond area. We are planning to garden from 9am-12pm and would be really grateful of any support.

Freestyle will also be on the field so you can bring primary age children with you and the sports coaches will keep them busy!

More details to follow soon...

Scarecrows & Bottles!

Sunday 19th September is when our church is holding their Family Harvest event.

At 10:30am is a family Harvest service.

In the afternoon, 2pm-4pm, make your own scarecrow! Go along to church to join in with making your own scarecrow to enter it into the competition for the happiest look scarecrow! Judging will be at 4pm. I can't wait to see the photos of the scarecrows!

As well as this, there will be a collection for the food bank for anyone who wishes to donate to this Harvest Collection.

Already busy on Sunday 19th September? Don't worry because there are more exciting church events to come...thinking ahead to poppy making for remembrance, you can start collecting plastic drinks bottles (the lids are needed too). You can drop your bottles in either to us at school or to the church ready for poppy making. Let's see how big the church display can be this year!

Good to Grow with Morrisons

We have registered for the 'Good to Grow' scheme with Morrisons which is a voucher collection scheme which enables participating school to use the vouchers for gardening equipment. We want to get our veggie patch back on track so would love some new gardening equipment! Check out the website to find out more: <https://www.itsgoodtogrow.co.uk/>

Our School Values

This week the children have been thinking about what our school value of **respect** means at our school; ask your child/ren what they think!
