ABM Catering Lucky Plate is back!

Thursday 19th May is Census Day in school so it is a special menu day. On Census Days we encourage all children to take a school meal as it positively impacts our funding.

This Census menu is 'Burger Day': there is a beef or a Quorn option, both are served with wedges, baked beans or sweetcorn, followed by a chocolate brownie.

For this menu, there will also be 3 'lucky plates' which are prize winners. Gemma and Lisa (the kitchen team) will have put a special sticker on the bottom of 3 plates/lunch trays so if your child finds a sticker, they win a prize.

Well done Year 6

I wanted to share how proud I am of our Year 6 children for completing their SATs this week. They worked with the same focused determination they have all year. They really are superstars.

I know they will enjoy the Isle of Wight trip next week along with Year 5.

Sports Day: Friday 27th May

We are very excited to be able to run a 'normal Sports Day' this year. I will confirm exact timings for spectators in due course.

Classes 3, 4, 5 & 6 will be holding their races in the morning session

Classes R, 1 & 2 will be racing in the afternoon session

We are very excited to be able to welcome parents and family members back to spectate. FOHPS will also be there serving refreshments throughout the day for spectators—please bring plenty of change!

You will be able to take photos and videos at this event, but I ask that these are for personal memories only and not shared on social media.
