

Friday 14th January 2022

Pupil Achievements

Stars of the Week

Key Stage 1 will have two stars for each class next week.

Class 3: Matthew—for fantastic learning in all subjects

Class 4: Charlie—for having an amazing attitude towards learning

Class 5: Leah—for working hard on well presented work

Class 6: Harry—for making excellent progress since joining Hartwell

How can you find out about learning at our school?

If you haven't had the opportunity to yet, take a look at our [Curriculum section](#) of our school website, it's worth a look to find out more about what happens in each subject across the year groups.

You can also find out termly topic information by visiting your child's class page.

Your child's class teacher will be sending home an 'interim report' on Friday 4th February. This report gives you information about where your child is currently working and gives details of their English and maths targets. You will receive a full report at the end of the Summer Term.

Changes to the COVID Isolation Rules

From Monday 11th January the length of self-isolation has changed to 5 days as long as you have negative lateral flow tests on day 5 and day 6.

This means on the 6th day, with two negative tests, isolation can end immediately. I have posted the full information on Class Dojo and our Facebook page.

Our School Values

I am always impressed by the way our children are role models for our school values. Our values underpin our approach to all that we do in our school.

Our school value of 'Loving' has been in my thoughts a lot recently, not only because the festive season is a time for sharing love and feeling love, but also as we have returned to school and we see that more of our families are disrupted by the pandemic.

When I think of the value of loving in the context of our school, I am reminded of how supportive our children and families are of one another, especially in times of challenge.
