### Pupil Achievements

#### Stars of the Week

This week: Class 1: Isabelle; Class 2: Sienna; Class 3: Theo; Class 4: Frankie; Class 5: Blake; Class 6: Myles

Last week: Class 1: Nellie; Class 2: Benjamin; Class 3: Joseph; Class 4: Charlie; Class 5: Alice; Class 6: Devan

### Word Millionaires

Lots of children have been doing an amazing job of devouring books over lockdown and the summer holidays; the race is most definitely on for who can read the most words this year. Last week, Joshua in Class 6 was awarded the first word millionaire for this school year and this week he has reached 2 million words!!! What a phenomenal achievement.

This week we have our first word millionaire from Class 5; well done Ellie, an amazing achievement especially so early in the school year!

### Welcome Class R

Class R have made a super start to school on their small group visits over the last two weeks and have had a great time all together at today's Tea Party. We can see that the whole class are ready to start their morning sessions next week. We are all very excited!

### Pond Area Development

Mrs Cameron has been leading our team in developing our pond area so once again it can be a usable area for learning and enjoyment. The area is nearly fully cleared so that we can begin redeveloping it. The key components of the plan are to put slabs down around much of the pond so that it is easier and safer for children to go pond dipping and to also create an outdoor classroom area. We already have a beautiful hand carved bench gifted to us from FOHPs for the area and also have sleepers on the way, kindly donated by K.G. Smith. This area will be a super learning resource when it's completed.

### Reminders and Messages

- For non-urgent messages to your child's teacher, please use Class Dojo
- Any children coming to school for an 8:30am learning session are collected from the School Lane gate
