School Attendance News

We are still so thrilled to have everyone back in school so fit and healthy. Last week our attendance was 98.1% with Classes 3, 4 & 6 having 100% attendance for the week! Great!

Parent Consultation Meetings

Thank you for completing your requests for your parent consultation meeting with your child's class teacher. Teachers will be allocating appointments over the next week.

Census 2021

This Sunday, 21st March is Census day: The census helps to plan and fund public services in your area, including your school, transport and the NHS. The information provided will help to make sure that services continue to meet the needs of our changing society. For more information on the Census, [click here](#).

Thank you for supporting Comic Relief—Red Nose Day

Together we have raised a **total of £460** (at the point of publication). Amazing—well done everyone.

£314 was raised from mufti donations, the rest from the proceeds of the sales of red noses.

Much of the money raise by Comic Relief this year will go to supporting those most affected by COVID-19.

ABM Catering

The menu for next term will be sent out to you next week—the menu looks great. The ABM Team are working with us to provide what works well for our children. The option of additional bread and salad will also be available as part of the school meal offer.
