#### Timestables Achievements

Well done to Summer, Poppy, Chloe, Jacob and Taylor for joining the 144 Club. What timestables superstars you are!

#### Word Millionaires

Congratulations to Louis for achieving a million words read so far...

Even more super news, well done William on becoming a double millionaire, amazing

#### Personal Bests

It's so lovely to see each week so many children proudly wearing their 'personal best' sticker. These are given weekly to recognise and celebrate progress being made to longer term goals, for example, an improvement in their arithmetic score compared to the previous week. As well as a personal best sticker, children also put their star on the personal best board in the hall for the whole school to see. This week there are over 50 stars on the board. Well done children for continuing to make good progress.

### Anti-Bullying Week

As you may already know, this week has been national Anti-Bullying Week. Whilst anti-bullying learning is always on our agenda, the national week is always a great opportunity to give special focus to this area of learning.

The children have listened carefully to and remembered the key messages, discussed their ideas and all made pledges to do their bit so that we are all united against bullying.

The key points of learning this week have been about what four things make up bullying behaviour and how bullying is often a group behaviour, rather than a person acting in isolation.
