Pupil Achievements

Stars of the Week

Class R: Reuben—for completing all learning tasks to a high standard

Class R: Theo—for applying your Phonics skill confidently in writing

Class 1: Jacob—for making super progress in reading and writing

Class 1: Thomas—for a fantastic attitude to his learning

Class 2: Emmy—for excellent contributions to class discussions

Class 2: Bethany—for a super attitude towards her independent work

Class 3: Oliver—for having a superb attitude to learning

Class 4: Scarlett—for making massive improvements in her confidence in class

Class 5: Tilly—for fantastic map skills in Geography

Class 6: Jessie—for always working hard, listening to advice and being a great learner.

Changes to COVID Protocols in School

From Monday: We will return to our school running as it was in the Autumn Term. This means lunchtimes will change back, including Year 6 children supporting our younger children; child-led clubs, such as book club, will return, and assemblies will return back to their usual times. **Star of the Week assembly will return to the 2:45pm slot for all children from Friday 28th January.**

From Thursday: Face masks will no longer be required in school. We will respect any adult's decision if they choose to keep wearing their face mask.

Whilst we won't insist on the one-way system for walking around the school site, I would prefer if it was still used at collection and drop off, particularly at busy periods as it eases congestion. Thank you.

Roofing Update

It may seem that the roofing works have been going on for ages, however the team are actually ahead of schedule! The new roof should be completed and scaffolding down in the first week of February. We are really pleased with the work so far and will welcome the team from PCI back late in the Summer Term to replace our heating system.
