A huge 'Thank you' to Tails of Hartwell for the super kind donation of £830. This was the money raised from the Dog Show that Tails of Hartwell organised and ran—a fabulous community event!

We will be working with the children to decide how to use the money.

Parking Concerns

Concerns regarding unsafe parking have been raised again this week. Please help to keep all our children and families safe by parking responsibly, avoiding blocking visibility at junctions or parking over the dropped kerbs for safe crossing. We have also had a few occasions where parents drop off by stopping on the yellow zig-zags by School Lane: this again impedes safe crossing.

As a school we can only ask for your cooperation and support in parking responsibly. I would like to make everyone aware that as a school we would always encourage people with concerns about unsafe parking or road use around our school to report them directly to Northamptonshire Police, [click here](#).

Have a Wonderful Half-Term

On behalf of all the team here, I would like to say a huge thank you for all our families continued support of your child/ren's learning and of our school. It is great to have had a greater sense of normality this half term—we have been able to reintroduce many of the things we really love about our school, like the children of all ages socialising together on the playground and all being together in assembly.

Please stay safe over the break from school and we look forward to welcoming everyone back safe and well on Monday 1st November.
