### Morning Drop Off

I have received some queries regarding the morning drop off arrangements so I will clarify the situation. School starts at 8.45am for all children, please be outside your child's classroom promptly so they are ready to go in as soon as the teacher opens the door. If you have more than one child you should drop them off in order but any older children could walk around to their classroom with friends. You should not engage your child's teacher in conversation in the mornings as they have to call the register and begin their lessons. Any messages may be delivered by Class Dojo or by the front office. My priority, in the morning, is to secure the school site as quickly as possible to ensure our children's safety so I will close one of the gates to indicate that lessons have now begun and parents should leave the site. Thank you for your continued support.

### A Message from FoHPS.

Hello! As there is a newly elected team of officers we thought it best to make you all aware and introduce ourselves.

Co-Chair - Charli Page (Rufus' mum from Class 1).

We are busy working in the background arranging a lot of events to help support our wonderful school and children that attend it. We will shortly be communicating information on the school disco we have arranged with more events to follow in due course. Watch this space!
