Pupil Achievements

Stars of the Week

Class R: Sophia—for an incredible effort in all tasks

Class 1: Alanna—for always trying her hardest and being a good learner

Class 2: Isla—for a super attitude to all aspects of learning

Class 3: Ameera—for always be conscientious in all aspects of school life

Class 4: Joshua—for challenging himself in Literacy and using ambitious vocabulary

Class 5: Max—for a fantastic range of vocabulary in poetry

Class 6: Dhillon—for being a conscientious member of Year 6 who works hard

Our School Values

As you will already know, in our school, our 'golden rules' for behaviour and attitude hinges on our school values. At the start of every academic year we give an even stronger focus on them so that children are clear about what it is to be a member of the Hartwell Primary School community.

The children have been thinking and sharing what the values mean to them and from this we will be producing a family friendly breakdown so it is just part of the fabric of school and home life.

From what the children have shared of their thoughts and ideas so far, they are certainly doing us proud!

Children Attending Appointments in School Time

I know that wherever possible appointments are made for out of school time; however from time to time we appreciate that an appointment has to take place in school time.

Teachers are incredibly grateful for being kept up to date via Dojo messages, thank you. Can I please make parents aware that this doesn't replace letting the school office know via the absence form—we still need those completing. Mrs Morley does always inform teachers of any absences, for whatever the reason. Along with this week's newsletter, I have attached the relevant form for your convenience.

FOHPS AGM

Hopefully you have already received the invite to FOHPS AGM on Tuesday 5th October at 6:30pm. We will be meeting in the school hall. I hope that as many parents as possible can come along to hear about FOHPS great work and hopefully volunteer to support a future event or two!
