Pupil Achievements

Stars of the Week

Class R: Jaxon—for trying his best with all tasks this week

Class 1: Reuben—for applying his excellent knowledge in Geography

Class 2: Zoe—for working hard all half term

Class 3: Cooper—for fantastic writing

Class 4: Maisie—for great persuasive writing using her Geography research

Class 5: Jacob—for making great progress this week and settling well

Class 6: Nirali—for great creative writing, using beautiful language

Summer Term

The staff team and I have been incredibly impressed with how the children have settled and how hard they have been working since being back in school this past three weeks. As we go into the Easter Holidays, I have nothing new to share with reference to COVID restrictions, however this may change during the Easter break. Please, assume that we will be working to the same protocols as the last three weeks, unless I send you an update before the start of the Summer Term.

We are beginning to plan events for towards the end of the Summer Term once all restrictions have been lifted. We are really looking forward to holding some of the events that we have missed out on this past year.

Old Trainers

We would love donations of trainers that your child has grown out of that are still in good condition. We would like to create a 'spares box' for the occasional use when a child has forgotten their trainers for PE. These trainers will be sanitised between uses.

The National Gallery

We have amazing news! Class R and Class 4 are going to have their artwork displayed in the National Gallery.

During our Autumn Term Art Week, the whole school participated in the National Gallery's annual 'Take One Picture' project. Each year a picture from the National Gallery is selected for this project in schools. School can then submit their artwork to see if it will be chosen to be displayed either physically or digitally in the National Gallery. Class R's 'Celebrations Faces' and Class 4's 'Perspective Drawings' were both selected for this year's 'Take One Picture Exhibition' - a fantastic achievement. It's the first time artwork from our school has been selected for the exhibition.

Happy Easter

Whilst we may still not have the freedoms we had hoped for, I hope that all our families have a wonderful Easter break. As we all tuck into our Easter eggs, I know will be thinking with a different perspective about the resurrection and new life in light of the last year we have all endured. I will certainly be returning from the Easter break with a greater sense of hope.
