Parent Governor Election

I am really pleased that we have two parents who wish to stand as a parent governor on our governing body. We were due to hold the election during the first two weeks of this term, however, as with many things the pandemic brought that plan to a halt!

We will now be holding the election virtually and I wanted to give you an overview of what to expect. Next Friday, 5th February, you will receive a ParentMail from me with who the two candidates are and their statements of self-nomination.

You will then have until Friday 12th February to send your vote via email. The email account is being managed by Graham Lampard who is our Clerk to Governors so is independent of the parent or staff community.

Each parent can cast one vote. Should there be any cases of multiple voting the duplicates will be disregarded. A parent is defined as a person with parental responsibility, this includes carers and special guardians.

February Half Term

Parents of children currently attending school: please be aware that school will be closed at half-term. There will be no childcare facility.

Parents in receipt of Free School Meals: you will receive meal vouchers for that week through Hugg. Mrs Bruce will make full details available.

The Stair Climb Challenge

We can’t climb mountains right now, but we can climb stairs! Check out Mrs Parker’s ParentMail to find about all about the Stair Climb Challenge.
